Subject: Cultural Resources Report, Kennecott Utah Copper LLC; North Tailings Impoundment; M/035/0015; Salt Lake County, Utah

Dear Ms. Hunsaker:

On September 17, 2013, the Division of Oil, Gas and Mining sent to your office a cultural resources report for the referenced mine. The Division received an e mail response from your office that the packets should have contained photos associated with the site forms that meet photographic standards. Enclosed with this letter are photos supplied by the mine operator which should meet those standards.

Thank you for your assistance. Please call me at 801-538-5261 if you have questions about this.

Sincerely,

Paul B. Baker
Minerals Program Manager
